

SAFE AND ACCEPTING SCHOOLS TEAM

Safe and Accepting Schools Teams are responsible for fostering a safe, inclusive and accepting school climate. They raise awareness and help with the implementation of the Bullying Prevention and Intervention Plan within the school. They also review the results of the bi-annual school climate surveys and assist in building strategies to improve any school climate deficits identified.

Each School's Safe Schools Team must be established at the beginning of each school year. A list of members must be submitted to their regional Superintendent of Education's Office in September. The Chair of the team must be a staff member.

Teams must include:

- at least one parent
- at least one teacher
- at least one non-teaching staff member
- at least one community partner
- the Principal
- at least one student where possible
