RE: Integration of Students

The Parties believe in addressing the needs of all learners and recognize that student needs vary on an individual basis. The Parties believe that a variety of placement and support options assist in meeting the unique needs of individual learners.

The Parties recognize that preparation prior to a student from a special education class being integrated into a regular classroom can contribute to positive outcomes for the student. That preparation may include, but is not limited to:

- the review of the Ontario Student Record (OSR);
- the creation and/or review of a safety plan and/or behavior plan; and
- other program planning necessary for the successful inclusion of a student with special needs.

Furthermore, any known required resources or technology shall be in place prior to the commencement of the student's integration into a regular classroom except in extenuating circumstances.
