2026-2027

Profile

In 2019, over a third of Canada's workforce was employed in trade and commerce, finance and insurance, administration and support, and real estate and leasing.1 Qualified and knowledgeable workers in business will find prospects either in one of Canada's prospering companies or as an entrepreneur in one of their own. The SHSM – Business enables students to build a foundation of sector-focused knowledge and skills before graduating and entering apprenticeship training, college, university, or an entry-level position in the workplace.
